786-1937

Dick Schlatterer  
354-7452

Roger Zaun  
242-4931

**Business Manager**  
H. Charles Kaetel

My apologies to Milton Peters, W9KJR, for being a little late in reporting that he is alive and kicking --- with emphasis on the kicking. Milton and I had quite a chat on the phone. Contrary to what you might have read in the June Ham Chatter, he said, "The reports of my demise have been greatly exaggerated." He borrowed the quote from Mark Twain, who certainly doesn't need it any more.

NOVEMBER MEETING ---Don't forget, in November we will meet on the third Thursday of the month. That's Thursday, November 17, 1988. Mark your calendars accordingly.

Program for November --- William M. Hand, Director of Medical Advances, Inc., will present a program on special antennas, and the use of radio technology imaging in diagnosing your health.

Thanks to Russ Schreiner, for an interesting presentation on the Kenwood TS440S. Thanks again, Russ.

The Milwaukee Repeater Club will have it's Friendly Fest on November 12, 1988 at the Serb Hall on 51st and Oklahoma Ave. Be sure to visit the MRAC table. There will be some old photographs on display. Maybe some of our older club members can enlighten us as to the people in them. Also on display will be the original charter to the American Radio Relay League signed by Hiram Percy Maxim, W1AW, himself.

The Milwaukee Radio Amateurs' Club VEC will be giving amateur exams at the Friendly Fest. If you are interested in taking a test there, be sure to bring your current license, if you have one, and three (3) photocopies of your license. The fee is \$4.55. You may upgrade more than one grade, time permitting.

There will be no Old Timers' Dinner this year in December. The dinner is being postponed until a later date. We certainly haven't forgotten about you fellahs. Watch future editions of the Ham Chatter for further news.

\*\*\*\*\* THERE WILL BE NO MEETING IN DECEMBER \*\*\*\*\*

The Milwaukee Radio Amateurs' Club will be running Amateur Radio classes in the spring. The dates haven't been set yet. We need a couple more teachers. If you are interested call me at 546-0647. Also, we could use Elmers for those unable to attend the school for one reason or another.

The Ozaukee Radio Club will have Novice classes at Grafton Elementary School at 1900 Washington (Highway Q), on the east side of Grafton, starting on November 17, 1988. The classes will run for twelve (12) weeks. Time --- 7:00 to 9:00PM. Park on the east side of the building. Enter through the west doors on the south side of the building. There will be signs indicating where to go. If you want further information call Herb, WA9UVK, at 377-3307. Bring pencil and paper.

\*\*\*\*\*

Just a gentle reminder for those who have not sent in their dues or mailing fees yet. We don't want to drop anyone from the mailing list, so, please check to see if you are up-to-date. If you have any doubts about your status, call Ed, KE9JJ, at 545-6299.

Postage for this mailing provided by:
